Patent Mill Wheels.

Timbey's Patent

Two Vent Cast Iron Water Wheels,

—for—

SAW MILLS,

Invented by T. R. Timbey of Cato N. Y.

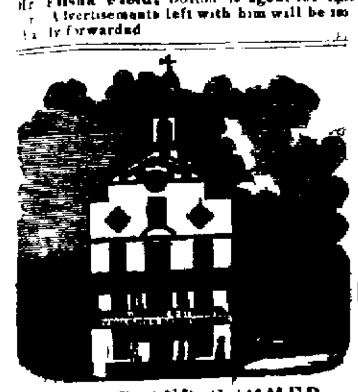

THE undersigned would invite the attention of the Public to the above named WHEELS, which have been thoroughly tested in *Competition* with all other popular

SAW MILL WHEELS

in use at the present time, and they can confidently recommend them, with the same head and quantity of water applied, as possessing and combining *more Strength and Speed* and giving a more *uniform* and *Steady Motion* in and out of the cut (and therefore not liable to break cranks) and will also run *longer* and *Saw more Lumber* under a low head than any other Wheel in use.

Another advantage which this Wheel has over others is that it is constructed with but Two Vents for the discharge of water which makes the apertures larger and allows the drift stuff to escape without filling up the Wheel.

Persons wishing to adopt the BEST WHEEL will do well to call and examine before purchasing elsewhere.

SPRING AND SUMMER CLOTHING.

STRANGERS visiting the city are respectfully invited to call and examine the largest stock of

FASHIONABLE MADE

Spring and Summer CLOTHING,

which can be found in this city, consisting of Cashmeretts, Exmonetts, drap d'ete, Tweeds and a general assortment of all kinds of Garments made up in a superior manner and will be sold prices that cannot fail of insuring satisfaction. Call early at

We would also call the attention of Mill Owners and Operators to

Valentine's Patent

Reversing Centrifugal Water Wheel,

—FOR—

"UPRIGHT SHAFTS,"

WHICH are adapted for driving all kinds of Machinery in Manufacturing establishments or Mills, and are made of different sizes so as to give any amount of power required and from the reputation these Wheels have acquired by the successful operation of several hundred of them already sold and in use we feel confident in recommending them as combining more advantages than any other Wheel for perpendicular Shafts now used.

As evidence of the merits of this Wheel we would refer to the following extracts from the report of experiments made with the same by ITHAMAR A. BEARD Esq, Civil Engineer,—Lowell Mass, who is well known as one of the most Scientific and experienced practical Engineer in this country.

"This wheel is formed with curved floats the number depending upon the size and vent of the Wheel, each extending so far around the Wheel, that when the water arrives at the jet its pressure is so far exhausted that it falls very nearly inert from the Wheel. The Wheel is inclosed in a cylindrical wooden curb or flume, in which the water stands at its full head, the column being sustained by the stationary plate underneath the Wheel, so that it has no downward pressure upon the Wheel, which stands perfectly free in the column of water, and by this arrangement all the friction of the step and bearing of the Wheel is avoided, and so much of the power saved which in the ordinary mode of operation is wholly lost.

"This Wheel is adapted to low as well as high heads of water and will run as well in back water as out of it, providing the head rises in a freshet as fast as the back water. But a Wheel with the jets rightly gauged for a high head will not answer for a low one, and vice versa, for as the head increases, the width of the jets should be proportionably decreased so that the water may not issue to waste and not give its best effect to the Wheel.

"In point of power the trials show conclusively that this Wheel is superior to the best constructed Breast Wheels, and it has the advantage of working with good effect in situations where the Breast Wheel would be worthless as less liable to need repairs, easily accessible when they are needed, costs much less in the outlay, is much more durable, and takes very much less room in a mill or shop—Simplicity of structure, durability of parts, convenience of application and excellence of power are the grand points of recommendation for this Wheel."

ITHAMAR A. BEARD, *Civil Engineer*."

**All sizes of the above Wheels with all the LATEST and most IMPROVED patterns of

Mill Gearing, Machinery, &c., Shingle, Capboard, Sapping, Lath and Box Machines,

Blackwood's Edinburgh Magazine.

The above Periodicals are reprinted in New York immediately on their arrival by the British steamers, in a beautiful clear type, on fine white paper, and are faithful copies of the originals—BLACKWOOD'S MAGAZINE being an exact *fac simile* of the Edinburgh edition.

They embrace the views of the three great parties in England—Tory, Whig and Radical—"Blackwood" and the "London Quarterly" are Tory, the "Edinburgh Review" Whig, and the "Westminster Review" Radical. The "North British Review" is more of a religious character, having been originally edited by Dr. Chalmers, and now, since his death, being conducted by his son in law, Dr Hanna, associated with Sir David Brewster. Its literary character is of the very highest order.

EARLY COPIES

A late arrangement with the British publishers of Blackwood's Magazine secures to us early sheets of that work, by which we shall be able to place the entire number in the hands of subscribers before any portion of it can be reprinted in any of the American Journals. For this and other advantages secured to our subscribers we pay so large a consideration that we may be compelled to raise the price of the Magazine. Therefore we repeat, *'subscribe early while the price is low.'*

STAVE DRESSER.

THE Subscribers have in operation at Parsons & Barbour's Planing Mill, near the Portland Railway, Judson's Stave Dresser. It is believed this Machine involves the only principle that can dress a riven, crooked or wind'ng Stave. This it will do in a perfect manner and with a rapidity corresponding with these days of steam locomotion.

It will dress three thousand hhd staves per day and more if you wish, and as many barrel staves as a man can handle.

It requires two jointers to compete with the dresser, requiring only three men to attend the three machines, all is done in a handsome manner, the joints are perfect so much so that coopers in New Hedford have purchased it for the purpose of manufacturing oil casks.

The tending the machine is much less laborious than dressing staves in the usual way. It will be seen from the above statement that shooks can be manufactured for half the expense incurred by hand.

They are prepared to sell rights for the State of Maine, also for the State of New Hampshire.

DR. CUMMINGS'S

Compound Extract of Sarsaparilla and Dock.

THE articles above named are the principal ingredients of this medicine. With these other of vegetable origin are combined, designed to render them more active, and consequently more immediately effective.

The Dock, or rather a species of it, now ranks as a medicinal plant, second to no one of the vegetable kingdom. With the aid of a distinguished chemist, whom the proprietor has consulted in the preparation of the compound he has succeeded in overcoming the difficulty of preserving the extract of the root for any considerable length of time.

For many years the proprietor has tested in his practice the efficacy of the principal substances of the compound and is perfectly satisfied that they possess all the properties which have been ascribed to them. Recently he conceived the idea of uniting them, which has resulted in the production of the compound. In this the ingredients are found to act in harmony and to lose none of the qualities which they separately possess.

A larger portion of Sarsaparilla is soluble than has generally been supposed. The extract most to be relied on and least liable to decomposition is procured by subjecting the root to the action of the menstrua usually employed in extracting its virtues, for a long time, without heat or any other accelerating agent. None is permitted to be used in the compound, that has not been obtained by this process and that has been less than a year in preparation.

The Compound is recommended for Scrofula, Erysipelas, Ulcerous affections, Eruptions and Mercurial diseases. Also for the numerous maladies arising from sedentary employments, occupations of a harassing and fatiguing nature, intense application, exposures to extremes of heat and cold, overtasking the physical powers and other abuses of the constitution among which are Neuralgia, Piles, Affection of the Liver, Bilious Complaints and Dyspepsia or Indigestion.

In diseases of warm climates, with which the proprietor became familiar in his practice in Havana, some years since, the compound will prove particularly efficacious, both as a remedy and a preventive.

This medicine has been for some time in use in this city, where the proprietor has passed nearly half a century of his professional life. It was extensively prescribed by him while in practice, and it is believed to be in favor with his medical brethren in general to whom he is known.

Prepared only by Dr. Stephen Cummings and sold at wholesale and retail by Joshua Burgin & Co, No 145 Middle street and Edward Mason, No 153 Middle street—only agents for Portland.

Sold in Bangor by G W LADD and JOSEPH S INGRAHAM.

Graefenberg Company's Office,

50 Broadway, New York ..... *January 1st*, 1848

THE very great increase of the Graefenberg Company's business in New England has rendered it necessary to reorganize the General Agency there. Important Letter.

MESSRS CURTIS & SMITH

Dear Sirs—I herewith enclose you a few lines relative to your 'Downs' Elixer' which for the benefit of the suffering if you think worthy you are at liberty to make public. About a year and a half ago my mother became sick, so that in a short time we began greatly to fear for her life. Her symptoms were bad cough, pain in the side and stomach, night sweats and other premonitory signs of pulmonary consumption. We consulted our best physicians who gave her little or no relief and finally pronounced her case incurable consumption. She continued to become weaker, and the symptoms more confirmed.

About this time at the suggestion of a friend, we concluded to try Downs Elixer. Having procured a bottle from your agent (S R Byram of Eastport) she commenced taking it. At first it seemed only to mitigate the severity of the symptoms, but in a short time her health began evidently to improve. It cured her cough, relieved her night sweats, and greatly improved the tone of the whole system.—After having continued its use most of the time for nearly a year she calls herself cured. She is now able to go about the house and superintend affairs as usual. Under God we believe that to Downs Elixer alone, she owes the preservation of her life and the restoration of former strength and energy. We have also used it in our family in other cases, for which it is recommended in the pamphlets, with universal success. Yours truly,

(Signed) SWAIN P NORDSTROM

The above is only one of a thousand similar letters which we are constantly receiving from all parts of the country almost daily.

DOWNS' ELIXER is unquestionably the best article known for the cure of *COUGHS, COLDS* and *CONSUMPTION*. It is more certain to give relief in all cases of *ASTHMA*—often a perfect cure—than any thing hitherto offered to the public.

In cases of *WHOOPING COUGH* it needs only to be tried to give it preference over all other remedies. It immediately breaks up the cough and renders a mere plaything what is otherwise a scourge and terror. For the *CROUP* it is a positive cure. We speak with confidence for it has never failed and we believe never will, when used according to directions.

Pamphlets giving a full description to be had of agents in almost every town and village in the country and of the following who are prepared to sell at wholesale or retail:

The Great Remedy for Gonorrhea

GLEET, Stricture, and all analagous complaints, is DR. DOUGLASS'S ARABIAN PASTE. Dr Douglass is well known having practiced in the principal cities in the Union during the last 40 years. His only reason for introducing the Paste in this public manner is the conviction that there are thousands of ill treated acquaintances in this city—thousands of individuals who are going down to premature graves by taking the miserable drugs of quacks.

Dr D most solemnly affirms that during his practice of forty years this Paste has never, in one single instance failed of effecting a cure in a few days without any change of diet or hindrance from business. He has had some of the most stubborn cases—cases that have resisted the regular course of treatment adopted by our first physicians for months and even years but after taking the Paste for a few days the angry symptoms disappeared, and the patients were discharged entirely cured.

If the unfortunate instead of drugging themselves with quack nostrums, would purchase only one box of the Arabian Paste we should not see so many emancipated bodies and sallow countenances as we do at the present time.

In case this Paste should fail to effect a cure in the shortest possible time, ten times the price paid for it will be given the purchaser on returning the empty boxes.

For sale only by the original inventor and sole proprietor, DR PETER G DOUGLASS at his Office, No 33 Union street, Boston at $5 per box where he can be confidentially consulted on every disease incident to the human frame, and the patient rely upon the most beneficial course of treatment that can possibly be adopted.

Medicines sent to any part of the country.

DISEASES OF THE

Throat and Lungs.

COUGHS and Colds, the fearful parents of Consumption, Bronchitis, Asthma, Pleurisy, and many other dangerous diseases, are too often neglected until the foundation of the Specific Complaint is laid deep in the System. A Physician is then called in, who administers a few Palliatives, but declares the disease incurable, and the Patient in confirmation of his opinion, dies. But why does he die? Simply because he does not resort to the proper remedy, but trusts the mere ipse dixit of a Practitioner rather than the infallible evidence of experience and the most authentic testimony. On this basis is the only true one, the efficacy of

DR. VONDERSMITH'S

INDIAN COUGH BALM

and Lung Balsam.

have been thoroughly established. But those who doubt, read the following testimonials which are merely samples of hundreds of the same nature.

CONSUMPTION

AND AFFECTION OF THE LIVER,

CURED

Of Twenty Year's Standing!

CITY OF NEW YORK July 21st 1847

This is to Certify that I Nelson Larrabee, of Jersey City, have been subject to a dry hacking cough and a pain in the side and chest attended with night sweats and general weakness of the system for a period of twenty years, and pronounced INCURABLY CONSUMPTIVE, neither the advice of regular physicians nor the many advertised remedies I have taken have been of any permanent benefit, and I was yielding hopelessly to the progress of my disease, when I was persuaded to try Dr. E. W. VONDERSMITH'S INDIAN COUGH BALM AND LUNG BALSAM by the aid of which, all my symptoms have been removed and I have been wonderfully restored to the blessings of health, and the prospect of a prolonged existence.

In gratitude for which, and to the hope of benefiting others, I solemnly testify to the facts in this certificate. NELSON LARRABEE

INFLAMMATION OF THE LUNGS

New York June 19 1847

Dr. VONDERSMITH—I have been subject to a cough pain in the chest, difficulty of breathing, &c., for many years past. About four months ago I took a severe cold which settled on my lungs. I was unable to attend to my business during the day. I had so declined that I thought I could not possibly survive unless I could get relief. The excessive night sweats had reduced my whole body to a skeleton. I expectorated a bite frothy mucous in fact, should I give the full particulars of my case it would be almost incredible. I was recommended to try Dr. VONDERSMITH'S INDIAN COUGH BALM AND LUNG BALSAM. I commenced when I had used it about one week, my cough decreased considerable, which gave me great hopes. I continued with the medicine according to directions and the result has been that I am restored to health, a blessing that I have not enjoyed for years until the present time. I sincerely believe had I not made use of Dr. V's invaluable Medicine, that I would be mouldering in the silent grave. Therefore I believe that I am doing nothing but justice, in stating the above facts, so that you may shew it to all the afflicted who may call upon you to administer to them. I shall be pleased at any time to converse with the afflicted who may call upon me.

Your grateful patient and friend

CONSUMPTION.

STATEN ISLAND, June 10th, 1847

DEAR SIR—I take great pleasure in giving you my certificate, last December I was attacked with a severe cough, pain in my left side, loss of appetite, and continual raising of white and yellow mucous. Sometimes I raised a half pint of mucous streaked with blood. I have been under the treatment of a dozen physicians was recommended by Dr. Mitchell of Philadelphia, to use a breathing tub. I purchased one, I only made use of it for one week it was the cause of bringing on hemorrhage of the lungs, which reduced me so much that I was unable to get up, my voice was entirely destroyed, it was difficult for persons to understand me. I saw Dr. Vondersmith's Medicine recommended very strong by a person whom he had cured. I sent for half a dozen bottles, I received great benefit from that, which induced me to purchase a dozen bottles, I took according to the directions, and it cured me perfectly sound. Permanent Cure of Dyspepsia and habitual Costiveness.

To Dr Ralph

DEAR SIR—I have, myself, almost no occasion for your inestimable Pills. I have used them say six years, as occasion dictated; and I have reason to suppose they have wrought a thorough and permanent change in respect to the functions of the stomach. From habitual costiveness, and the voiding of nauseous and slimy stools, I am completely relieved. The multifarious symptoms of Dyspepsia, with which I was once too well acquainted, have so entirely passed away, that I hardly know what they were. Any use you can make of this, or a more full developement of my case, is at your service.

Except in an obstetric case, your book (Family Physician) and Pills have been the only physician in my house for six years.

There are many of my friends around, and more and more, who call for your Pills as a family medicine, and for chronic cases. Yours truly,

Dr. Townsend's

SARSAPARILLA,

THE MOST EXTRAORDINARY MEDICINE IN THE WORLD

This extract is put up in quart bottles, it is six times cheaper, pleasanter, and warranted superior to any sold. It cures diseases without vomiting, purging, sickening or debilitating the patient.

The great beauty and superiority of this Sarsaparilla over all other medicines is, while it eradicates diseases it invigorates the body. It is one of the very best Fall and Winter medicines ever known. It not only purifies the whole system and strengthens the person, but it creates new, pure and rich blood, a power possessed by no other medicine. And in this lies the grand secret of its wonderful success. It has performed within the past two years, more than 35,000 cures of severe cases of disease, at least 20,000 of these were considered incurable.

More than 3000 cases of Chronic Rheumatism,

2000 cases of Dyspepsia,

400 cases of General Debility and Want of Energy,

7000 cases of the different Female Complaints,

2000 cases of Scrofula,

1500 cases of the Liver Complaint,

2500 cases of Disease of the Kidneys and Dropsy,

3000 cases of Consumption,

and thousands of cases of diseases of the blood, viz —Ulcers, erysipelas, salt rheum, pimples on the face, &c. &c., together with numerous cases of sick headache, pain in the side and chest, spinal affections, &c. &c.

This, we are aware, must appear incredible, but we have letters from physicians and our agents from all parts of the United States, informing us of extraordinary cures. R. Van Buskirk, Esq., one of the most respectable druggists in Newark N. J., informs us that he can refer to more than 150 cases in that place alone. There are thousands of cases in the City of New York which we will refer to with pleasure, and to men of character. It is the best medicine for the prevention of disease known. It undoubtedly saved the lives of more than

5000 CHILDREN THE PAST SEASON,

as it removed the cause of disease and prepared them for the summer season. It has never been known to injure in the least the most delicate child.

RHEUMATISM

This Sarsaparilla is used with the most perfect success in Rheumatic complaints, however severe or chronic. The astonishing cures it has performed are indeed wonderful. Other remedies sometimes give temporary relief, this entirely eradicates it from the system, even when the limbs and bones are dreadfully swollen.

☞ Hear Mr Seth Terry, one of the oldest and most respectable lawyers in Hartford, Conn. The following is an extract of a letter received from him:

Dr. Townsend—I have used one bottle of your Sarsaparilla, and I find it is excellent in its effects upon a chronic rheumatic pain to which I am subject from an injury occasioned several years ago in a public stage. Please send me two bottles to the care of Dr. Seymour. I have conversed with two of our principal physicians and recommended your Sarsaparilla. SETH TERRY.

CONSUMPTION CURED

Cleanse and Strengthen. Consumption can be cured. Bronchitis, Consumption, Liver Complaint, Colds, Catarrh, Coughs, Asthma, Spitting of Blood, Soreness in the Chest, Hectic Flush, Night Sweats, Difficult or Profuse Expectoration, Pain in the Side, &c., have been and can be cured.

Dr. Townsend—Dear Sir: Nearly twenty years ago I took a violent cold which settled on my lungs, and affected me severely. Indeed, finally it became a constant hacking cough, but not so severe as to prevent me from attending to my business. Within the last few years it increased on me gradually. At last I became reduced—I breathed with difficulty, and raised with my cough much bad matter, and for the last nine months previous to using your Sarsaparilla, had regular night sweats, indeed, my friends and myself supposed that I would die with the Consumption, but I have the happiness to inform you that, to my surprise, after using three bottles of your Sarsaparilla, I find my health restored. It relieved me gradually, and I am now enjoying much better health than I have before in 20 years. I had almost entirely lost my appetite, which is also returned. You are at liberty to publish this with my name in the papers, if you choose.

My little girl, who is three years old, had a very bad cough the whole of last Winter. We became very much alarmed on her account. While using the medicine I gave her some of it, and I soon entirely relieved her, as well as myself, and she is well now, and hearty, as any child I ever saw. She was also full of little blotches, it took them away, and her skin is smooth and fair now, and I am satisfied she recovered her health from using your excellent medicine.

S. W. CONANT, 344 Bowery.

GIRLS, READ THIS.

You who have pale complexions, dull eyes, blotches on the face, rough skin, and are "out of spirits," use a bottle or two of Dr. Townsend's Sarsaparilla. It will cleanse your blood, remove the freckles and blotches, and give you animation, sparkling eyes, fine spirits, and beautiful complexion—all of which are of immense value to unmarried ladies.

GREAT FEMALE MEDICINE

Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for incipient Consumption, Barrenness, Leucorrhœa or Whites, obstructed or difficult Menstruation, Incontinence of Urine, or involuntary discharge thereof, and for the general prostration of the system—no matter whether the result of inherent cause or causes produced by irregularity, illness or accident.

Nothing can be more surprising than its invigorating effects on the human frame. Persons subject to weakness and lassitude, from taking it, at once become robust and full of energy under its influence. It immediately counteracts the nervelessness of the female frame, which is the great cause of barrenness.

It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed, but we can assure the afflicted that hundreds of cases have been reported to us. Several cases where families have been without children, after using a few bottles of this invaluable medicine have been blessed with a healthy offspring.

Dr. Townsend: My wife being greatly distressed by weakness and general debility, and suffering continually by pain and a sensation of bearing down, falling of the womb, and with other difficulties, and having known cases where your medicine has effected great cures, and also hearing it recommended for such cases as I have described, I obtained a bottle of your Extract of Sarsaparilla, and followed the directions you gave me. In a short period it removed her complaints and restored her to health. Being grateful for the benefits she received, I take pleasure in thus acknowledging it and recommending it to the public. M. D. MOORE

Albany Aug 17 1847 Cor. Grand and Lydius sts

TO MOTHERS AND MARRIED LADIES.

This extract of Sarsaparilla has been expressly prepared in reference to female complaints. No female who has reason to suppose she is approaching that critical period, "the turn of life," should neglect to take it, as it is a certain preventative for any of the numerous and horrible diseases to which females are subject at this time of life. This period may be delayed for several years by using this medicine. Nor is it less valuable to those who are approaching womanhood, as it is calculated to assist nature by quickening the blood and invigorating the system. Indeed this medicine is invaluable for all of the delicate diseases to which women are subject. It braces the whole system, renews permanently the natural energies—by removing the impurities of the body, not so far stimulating the system as to produce a subsequent relaxation—which is the case of most medicine taken for female weakness and disease.

SCROFULA CURED.

This Certificate conclusively proves that this Sarsaparilla has perfect control of the most obstinate diseases of the blood. Three persons cured in one house is unprecedented.

THREE CHILDREN.

Dr. Townsend, Dear Sir—I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine.—They were afflicted very severely with bad sores, have taken some four bottles, it took them away, for which I feel myself under deep obligation. Yours respectfully,

ISAAC W. CRAIN, 106 Wooster st.

Rahway, Jan. 25, 1847.

A year since I was taken with the Influenza, and my whole system left in a debilitated state. JULES HAUEL'S

PREPARATIONS!

TRY THEM, AND JUDGE FOR YOURSELF!

TO THE PUBLIC.

Wonderful! That's Right — A proper Principle adopted.

YOU cannot object to giving my articles a trial. If they are not found to be as represented, return them, and your money will be cheerfully refunded. Remember, there is no *quackery*—no *humbug*,—here. A trial will cost you nothing,—so if any one is humbugged, it will be myself. With the utmost confidence I recommend to the particular attention of the public the following articles. First—

MY EAU LUSTRAL HAIR RESTORATIVE.

This universally approved and admired article, free from ardent spirits, pungent essential oil, and other destructive materials, cleanses the hair expeditiously, renders it beautifully bright, and imparts to it the delicate fragrance of the flowers. It excites the scalp to a new and vigorous action, cleanses it from *scurf* and *dandruff*, and its effect in the restoration and growth of the hair is unequalled by any other preparations of the kind. Second—

MY EAU DE VINE DE VENUS AND NYMPH SOAP.

Composed of an Eastern Botanical Discovery of Surprising Efficacy, for rendering the SKIN SOFT AND FAIR, as well as imparting a Delicate Roseate Hue to the Complexion.

No lady's toilet is complete without this article. Its effect on the skin is strikingly beautiful. It removes all harshness, clears the complexion, and leaves a delicate roseate hue that cannot be surpassed. Third—

MY SHAVING CREAM.

"It is a luxury to shave with Jules Hauel's Premium Cream."

This Cream is acknowledged by all who have used it to be superior to any in use. It produces a fine and rich lather. It does not *smart* or irritate the skin; on the contrary, it is very soft and highly emollient. No person will use any other, after once using this admired preparation. Fourth—

MY DEPILATORY POWDER.

This Powder has never failed to produce the desired effect. Its composition is infallible, and warranted to remove superfluous hair. Many ladies have used it, who were afflicted with hair on the sides of the face, arms, &c., giving a masculine turn to the features, and who testify of its happy effect. Fifth—

MY CELEBRATED VEGETABLE LIQUID HAIR-DYE.

A Chemical Result to enable persons to dye their hair instantaneously, without the least inconvenience.

"My white hair has been changed like magic by using one box only of Jules Hauel's celebrated "Vegetable Liquid Hair Dye."

For changing red or grey hair, whiskers, eye-brows, &c., to a brown, black, or chestnut color. The slightest evil consequences need not be feared from its use—it is altogether harmless. This composition is the only one sanctioned by the science of chemistry, to dye, in an indelible manner, the various gradations of color, without danger or inconvenience, and has justified the liberal patronage and unlimited confidence of the public.

☞ *Beware of Counterfeits!* Ask for "Jules Hauel's Vegetable Liquid Hair-Dye," if you want the genuine article. Sixth—

MY UNRIVALLED ROSE TOOTH PASTE.

Is universally sought after, for the pearly whiteness it gives to the Teeth, without the slightest injury—Seventh—

MY CELEBRATED PERSIAN OR CHINESE POWDER.

Patronized by the Fashionable World of the United States and under the immediate patronage of the Ladies.

This powder is unequaled for the nursery, for restoring, beautifying and preserving the complexion, rendering the skin delicately white smooth and soft, preventing cutaneous eruptions, chapping, and obviates too copious perspiration. Travellers and residents in warm climates will highly appreciate this grateful appendage to the toilet.

NINE HUNDRED DOLLARS REWARD

Will be paid to the person who will prove that Jules Hauel's *Vegetable Liquid Hair Dye* is not the best,—the very best yet known in this country or in Europe.—This valuable discovery will enable a person to dye instantaneously the hair or whiskers, in a few minutes, without the least inconvenience. This preparation is warranted not to wash out, nor to injure the health of the hair, and retain all its softness and brilliancy.

From a celebrated Chemist of the City of Philadelphia.

"DEAR SIR"—It is with a high degree of pleasure that I furnish you with my testimony in favor of your *Eau Lustral Hair Restorative*. I have been surprised by its wonderful and beneficial results, and have no hesitation in saying, that I believe it to be the most valuable and extraordinary discovery ever known for restoring and reproducing a fine and luxuriant head of hair. In regard to the *Nymph Soap*, *Hair-Dye*, *Rose Tooth Paste*, *Depilatory Powder*, and *Shaving Cream*, I must say that they are scientifically compounded, and that it is a real luxury to use them. Yours, &c.

DR. UPHAM'S

Vegetable Internal Remedy

FOR THE PILES!

☞ A Cure for Life Secured. ☜

For the cure of Piles, Inflammation of the Liver and Spleen, Inflammation, Soreness and Ulceration of the Stomach, Bowels, Kidney and Bladder, Inflammatory and Mercurial Rheumatism, Impurity of Blood, Weakness and Inflammation of the Spine, and for the relief of Married Ladies.

THE VEGETABLE PILE ELECTUARY, invented by Dr A Upham, a distinguished Physician of New York city, is the only really successful remedy for that dangerous and distressing complaint, the Piles, ever offered to the American public.

Mark this: it is an INTERNAL REMEDY—not an external application, and will cure any case of Piles, either bleeding or blind, internal or external and probably the only thing that will. There is no mistake about it. It is a positive cure—*speedy and permanent*. It is also a convenient medicine to take, and improves the general health in a remarkable manner.

Each box contains twelve doses, at 8⅓ cts per dose. It is very mild in its operation, and may be taken in cases of the most acute inflamation without danger—All external applications are in the highest degree disagreeable, inconvenient and offensive, and from the very nature of the disease temporary in their effects. This Medicine attacks the disease at its source, and, REMOVING THE CAUSE, renders the cure CERTAIN and PERMANENT.

INFLAMMATORY DISEASES

Although the ELECTUARY was originally prepared for the cure of Piles, yet it has proven itself a medicine far superior to all others, in all diseases of an inflammatory character, with a determination of blood to any particular part or organ. In inflammation and congestion of the Liver and Spleen, Inflammation, Soreness and Ulceration of the Stomach, Bowels, Kidneys and Bladder, in inflammatory and mercurial Rheumatism, it is the *Best Medicine* ever discovered.

IMPURITIES OF THE BLOOD

For all impurities of the Blood, arising from the imprudent use of Mercury, or other causes, for all diseases of the Skin, all Scrofulous Affections, in all cases where the blood is powerfully determined to the head, producing dizziness and distress, DR UPHAM'S ELECTUARY is entirely unrivalled.

TO MARRIED LADIES

Married Ladies are almost invariably subject to that painful and injurious disease the PILES, with consequent inflammation of the Stomach, Bowels and Spine, weakness of the back, flow of blood to the head &c.—The Electuary is perfectly safe for Pregnant Ladies and the most useful Cathartic that can possibly be used, as it will not only remove the Piles and all inflammatory diseases, WITHOUT PAIN or IRRITATION, but will ensure an easy time, a safe delivery, and a sound constitution in the offspring.

CURE FOR LIFE GUARANTIED

The Electuary contains NO MINERAL Medicine, no Aloes, Colocynth, Gamboge, or other powerful and irritating purgatives. No fear of taking cold while under its influence, no change in diet necessary. If taken according to the directions, A CURE FOR LIFE IS GUARANTIED.

Pamphlets giving valuable information respecting this Medicine, may be had of Agents, gratis.

GREAT SUCCESS OF UPHAM'S

PILE ELECTUARY.

Portland, Me., March 14, 1847.

Dr. UPHAM—My dear Sir—I cannot express to you my sincere and heartfelt thanks for the wonderful cure I have experienced by the use of your truly valuable Pile Electuary. I have been a perfect martyr to the Bleeding Piles for 10 years past, so much so that I became reduced to almost a skeleton, with loss of appetite, and general derangement of the digestive organs. My eyes also became affected, and in fact I was a misery to myself. I was obliged to give up my business. I had tried all kinds of medicine, had the best advice the Doctors in Boston and this place could afford, spent much money—and twice submitted to painful operations. I had become perfectly tired of life, and at the suggestion of my friends I was induced to try a box of your medicine. The first I found to relieve me slightly, still I persevered, and purchased a second, and I assure you, when I got half through, I found myself getting well, still I kept on, and now I am a well man. My dear Sir, language cannot express the heart felt thanks that I am once more restored to health, and now in a condition to support my large family, dependent on me.

You can use this letter as you please.

Yours respectfully, SAMUEL CHARLTON.

Kirkbride's Tattersall's

HEAVE POWDERS:

A SAFE, SPEEDY AND PERMANENT CURE for *Heaves, Broken Wind, Chronic Cough, Colds*, and all diseases which depend upon inflammation of the mucous membrane in the lungs throat or head of the Horse or affect the

Soundness of the Animal's Wind,

This remedy which has been used with such remarkable success in England, is now offered to Horse owners in the United States as a positive specific for those obstinate and distressing complaints. From the combination of powerful vegetable ingredients in its composition, it is enabled to compete successfully with disease in the hardy constitution of the Horse and at the same time, is warranted to be perfectly safe and genial, is eaten greedily by Horses and other cattle, and does not at all inconvenience the animal, or deter him from usual labor. The following is one amongst many proofs we have of its efficacy. It is from one of the best Farmers in New York, and a gentleman whose knowledge in the medical treatment of Horses is very extensive:

New York, Nov 1, 1847

Messrs A H Gough & Co:

Gentlemen—You will recollect that I bought a package of your Heave Powders some time ago to administer to a valuable horse at livery in my stables and that I was quite dubious of the wisdom of attempting to cure such a bad case as his was, and did not, in fact believe there were any medicines better for his complaint than those I had been in the habit of using during my extensive practice with Horses. But justice to you and your *valuable remedy*, requires me to say, that that *single package cured the animal* of as aggravated a case of Heaves as I ever saw, and his wind is now perfectly good. I believe the cure is permanent one.

Respectfully, Ed FLOYD, 102 Laurens st.

Messrs A. H. Gough & Co—Gents: I bought, about six weeks ago, a package of Heave Powders to administer to a favorite horse, who had been troubled with heaves for more than two years. His case was a very bad one, and so severe as to incapacitate him from half his usual labor, and had resisted all the remedies ordinarily used for this disorder, they had no effect but to slightly diminish the violence of the heaving while taking the medicine, but that package of your remedy has completely eradicated the disease, and now his wind is as good as ever it was. It is a month since he has taken the Powders, and I can warrant him sound.

Respectfully, GEO W DAVIS,

Monroe, Middlesex Co., N.J

GREAT CONDITION MEDICINE.

Besides their specific action upon diseases of the lungs and windpipe, the Tattersall's Heave Powders, from their great alterative and restorative properties, are as effectual in horses as sarsaparilla pills are to the human race for the removal of impurities of the blood and predisposition to disease. Many a case of founder has been prevented and cured by a few doses of the Heave Powders, when thrown into the food that is given to the heated animal after a hard drive or exposure to inclement weather. They are warranted to cure the worst cough in a few days and will also eradicate a recent cold by the use of 1 or 2 doses. As a condition medicine they are unequalled, whenever a tight hide, staring coat, loss of appetite, etc, denote a derangement of the digestive functions, existence of botts and worms in the alimentary canal, as described in the following certificate:

Messrs. A. H. Gough & Co—That package of your Heave Powders that I bought of you for my horse's cough has entirely cured it, but in a different way than I expected. The first dose of Expectorant Powder that I administered brought away an immense number of worms from him, and I believe they were all the cause of the cough, rough coat, etc, which he exhibited, for that package has entirely cured him; his appetite is good, and he is now in prime condition. I cheerfully recommend your Heave Powders for worms as well as heaves. Yours, SAM'L ROBERTS

East Hempstead, L. I., Oct. 26, 1847.

☞ CAUTION. As several imitations of this valuable and popular remedy are about being got up under the name of "Heave Cure," "Heave Compound," &c., persons should be aware of them, and be sure to get the genuine article "Tattersall's Heave Powders."
